income or gain specially allocated to the Member pursuant to the provisions of Article V; and

(b) a Member's Capital Account shall be debited with the amount of cash and the Net Value of any Company property distributed to the Member, the Member's distributive share of loss and any item of expenses or losses specially allocated to the Member pursuant to the provisions of Article V.

If any Membership Interest is Transferred pursuant to the terms of this Agreement, the Assignee shall succeed to the Capital Account of the Assignor Member to the extent the Capital Account is attributable to the transferred Membership Interest; provided, however, that if the Transfer causes a termination of the Company under Internal Revenue Code Section 708(b)(1)(B), the Capital Accounts of the Members shall be adjusted in conformance with Treasury Regulation Section 1.704-1(b)(2)(iv)(I). A Member that has more than one (1) Membership Interest shall have a single Capital Account that reflects all of that Member's Membership Interests, regardless of the class of Membership Interest owned by that Member and regardless of the time or manner in which it was acquired. Whenever it is necessary to determine the Capital Account of a Member, the Capital Account of the Member shall be determined after giving effect to all allocations for transactions that were completed prior to the date as of which the determination is made.

4.06 Modifications to Capital Accounts. The foregoing provisions and the other provisions of this Agreement relating to the maintenance of Capital Accounts are intended to comply with Treasury Regulations Section 1.704-1(b) and shall be interpreted and applied in a manner consistent with such Treasury Regulations. If the Board determines that it is prudent to modify the manner in which the Capital Accounts, or any increases or decreases to the Capital Accounts, are computed in order to comply with such Treasury Regulations, the Board may authorize such modifications without the consent of any Member.

ARTICLE V ALLOCATIONS AND DISTRIBUTIONS

5.01 Distributions of Cash Flow from Operations.

(a) The Company shall make Rent Distributions on a monthly basis via each Members' Tokens. In the event the Lease Agreement provides for payment of rent on a monthly basis or any frequency other than monthly payments, the Company shall draw the Rent Distributions from the rent payments held in the Company's accounts.

(b) If at any time the amount of funds in the Property Reserve Account is below the Property Reserve Account Minimum, the Company may withhold a percentage, to be determined by the Manager in its reasonable discretion, of any Rent Distributions until the Property Reserve Account Minimum is reached, for purposes of maintaining adequate reserves for the operation of the Company and maintenance of the Real Property.

(c) In the event the amount of funds in the Property Reserve Account is in excess of the Property Reserve Account Minimum, the Members may cause, upon Simple Majority consent, the Company to distribute to the Members, in accordance with their Membership Interests, an amount in cash equal to that excess via each Members' Tokens.

(d) For the purpose of determining the Members entitled to receive a distribution as provided for in this Agreement, such determination shall be made immediately before the execution of the distribution using Avalanche Blockchain and the Member's Tokens.

5.02 Limitations on Distributions.

(a) The Company may not make a distribution to a Member or Assignee if, immediately after giving effect to the distribution, the Company would be insolvent, determined in accordance with the STATE OF DELAWARE. A Member or Assignee who receives a distribution in violation of the STATE OF DELAWARE is not required to return the distribution except as required in the STATE OF DELAWARE.

(b) The Members shall look solely to the assets of the Company for any distributions, including liquidating distributions. If the assets of the Company remaining after the payment or discharge, or the provision for payment or discharge, of the Company liabilities are insufficient to make any distributions, no Member has any recourse against the separate assets of any other Member.

5.03 Allocation of Net Income and Loss from Operations. Net income and loss from Operations for each Fiscal Year shall be determined for financial accounting purposes in accordance with the method of accounting used for federal income tax purposes and the books and records of the Company. Except as provided in Section 5.05, income, gain, loss and deduction from Operations shall be allocated among the Members in each taxable year (or portion thereof) as set forth below:

(a) Net income and gain shall be allocated to the Members pro rata in accordance with their Membership Interests.

(b) Net loss and deductions shall be allocated to the Members pro rata in accordance with their Membership Interests.

5.04 Allocation of Income, Gain, Loss and Deduction Upon a Liquidation Event. Items of income, gain, loss or deduction recognized by the Company in accordance with the method of accounting and the books and records of the Company upon the occurrence of a Liquidation Event, shall be allocated to and among the Members, prior to taking into account distributions of Cash Flow for the subject tax year, as set forth below:

(a) Net income and gain shall be allocated to the Members pro rata in accordance with their Membership Interests.

(b) Net loss and deductions shall be allocated to the Members pro rata in accordance with their Membership Interests.

5.05 Limitations on Allocations.

(a) Minimum Gain Chargeback. Notwithstanding any provision of this Article V, if there is a net decrease in Company Minimum Gain during any Fiscal Year or other period, prior to any other allocation pursuant hereto, each Member shall be specially allocated items of Company income and gain for such year (and, if necessary, subsequent years) in an amount and manner required by Treasury Regulation Section 1.704 2. Notwithstanding any provision of this Article V, if there is a net decrease in partner nonrecourse debt minimum gain, any Member with a share of that partner nonrecourse debt minimum gain as of the beginning of such year shall be allocated items of income and gain for the year (and, if necessary, for succeeding years) equal to that Member's share of the net decrease in the partner nonrecourse debt minimum gain, as provided in Treasury Regulation Section 1.704 2(i)(4).

(b) Qualified Income Offset. Any Member who unexpectedly receives an adjustment, allocation or distribution described in Treasury Regulation Section 1.704 1(b)(2)(ii)(d)(4), (5) or (6) that causes or increases a negative balance in its Capital Account beyond the sum of the amount of such Member's obligation to restore its deficit Capital Account plus its share of minimum gain shall be allocated items of income and gain sufficient to eliminate such increase or negative balance caused thereby, as quickly as possible, to the extent required by such Treasury Regulation.

(c) Gross Income Allocation. If any Member has a deficit Capital Account at the end of any Company Fiscal Year that is in excess of the sum of (i) the amount such Member is obligated to restore pursuant to any provision of this Agreement and (ii) the amount such Member is deemed to be obligated to restore pursuant to Treasury Regulation Section 1.704 2, each such Member shall be specially allocated items of Company income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this paragraph 5.05(c) shall be made only if and to the extent that such Member would have a deficit Capital Account in excess of such sum after all other allocations provided for in this Article V have been made as if this paragraph 5.05(c) were not in this Agreement.

(d) Section 704(b) Limitation. Notwithstanding any other provision of this Agreement to the contrary, no allocation of any item of income or loss shall be made to a Member if such allocation would not have "economic effect" pursuant to Treasury Regulation Section 1.704 1(b)(2)(ii) or otherwise be in accordance with its interest in the Company within the meaning of Treasury Regulation Sections 1.704 1(b)(3) and 1.704 2. To the extent an allocation cannot be made to a Member due to the application of this paragraph 5.05(d), such allocation shall be made to the other Member(s) entitled or required to receive such allocation hereunder.

(e) Curative Allocations. Any allocations of items of income, gain, or loss pursuant to paragraphs 5.05(a)-(d) shall be taken into account in computing subsequent allocations pursuant to this Article V, so that the net amount of any items so allocated and the income, losses and other items allocated to each Member pursuant to this Article V shall, to the extent possible, be equal to the net amount that would have been allocated to each Member had no allocations ever been made pursuant to paragraphs 5.05(a) through 5.05(d).

5.06 Distributions Following a Liquidation Event.

(a) Upon liquidation of the Company following a Liquidation Event, the assets of the Company shall be distributed no later than the later of 90 days after the date of such liquidation or the end of the Company's taxable year in which the liquidation occurs and shall be applied in the following order of priority:

(i) to the payment of debts and liabilities of the Company;

(ii) unless inconsistent with Treasury Regulation Section 1.704 1(b)(2)(ii)(b), or any successor provision, to set up any reserves that the Board deems reasonably necessary for contingent or unforeseen liabilities or obligations of the Company arising out of or in connection with the business of the Company; and

(iii) after all Capital Account adjustments for the Company's taxable year in which the liquidation occurs (including without limitation adjustments required under Treasury Regulation Section 1.704 1(b)(2)(iv)(e), relating to distributions in

kind), to the Members in accordance with each Member's positive Capital Account balance, which should and is intended to result in the Members receiving distributions in the same or substantially similar order and priority as they would have received had the distributions been made in accordance with Section 5.01.

(b) The Members intend that the allocation provisions of this Article V produce final Capital Account balances of the Members that will result in liquidating distributions provided for in Section 5.06 to be the same as if the distributions were made pursuant to Section 5.01. If and to the extent that the allocation provisions of this Article V in the year of the Company's dissolution would fail to produce such final Capital Account balances, then, following the allocation of income and gain from the year in which dissolution occurs (i) such provisions shall be amended by the Board if and to the extent necessary to produce such result, and (ii) items of income, gain, loss and deduction for all prior open years that can be amended (i.e., those years for which the Company and its Members can still file an amended federal income tax return) shall be reallocated among the Members as reasonably determined by the Board to produce such result.

(c) If a transfer of any Membership Interest results in a termination of the Company for federal income tax purposes under Section 708(b)(1)(B) of the Internal Revenue Code, paragraph 5.06(a) shall not apply and a Member's portion of the constructive liquidating distribution of the Company's assets that is deemed to occur under Treasury Regulation Section 1.708-1(b)(1)(iv) (or any similar or successor provision) shall be determined in accordance with the Capital Accounts of the Members as determined after taking into account all Capital Account adjustments for the Company's taxable year ending on the date of such termination.

5.07 Liquidation of Member's Membership Interest. Except as may otherwise be required in this Agreement, if a Member's Membership Interest is to be liquidated other than in accordance with a Liquidation Event, liquidating distributions shall be made in accordance with the positive Capital Account balance of such Member, as determined after taking into account all Capital Account adjustments for the Company's taxable year during which such liquidation occurs, by the end of the taxable year, or if later, within 90 days after the date of such liquidation. Where a Member's Membership Interest is to be liquidated by a series of distributions, such Member's Membership Interest shall not be considered liquidated until the final distribution has been made.

For purposes of this Section 5.07, a liquidation of a Member's Membership Interest means the termination of the Member's entire Membership Interest by means of a distribution or series of distributions to the Member by the Company other than in conjunction with a Liquidation Event.

5.08 Additional Tax Allocation Provisions.

(a) For income tax purposes, allocations of income and loss (and items thereof) shall be made in accordance with the foregoing allocations of income, gain and loss for financial purposes.

(b) Notwithstanding anything to the contrary contained herein, items of income, gain, loss and deduction with respect to property, other than cash, contributed to the Company by a Member or with respect to an adjustment to the Members' Capital Accounts to reflect a revaluation of the Company property, shall be allocated among the Members so as to take into account the variation between the basis of the property to the Company and its Fair Market Value at the time of contribution or, in the case of a revaluation of the Company

property, the variation between the basis of the Company property to the Company and its Fair Market Value as of the date of revaluation, as provided in Section 704(c) of the Internal Revenue Code and Regulations thereunder and Treasury Regulations Section 1.704-1(b)(2)(iv)(g).

(c) As between a Member who has Transferred all or part of its Membership Interest and its Assignee, all items of income, gain, loss and deduction, for any year shall be apportioned on the basis of the number of days in each such year that each was the holder of such Membership Interest (making any adjustments necessary to comply with the provisions of Section 706(d)(2) of the Internal Revenue Code), without regard to the results of the Company's Operations during the period before and after the date of such Transfer, provided that if both the Assignor Member and Assignee consent thereto a special closing of the books shall be had as of the effective date of such Transfer and the apportionment of items of income and gain, and deduction and loss, shall be made on the basis of actual operating results.

5.09 Foreign Withholding. If required under the Internal Revenue Code or otherwise by the IRS, the Manager is authorized to withhold cash and property distributable to a Member, and to pay over such amount to the IRS to satisfy any withholding requirements imposed upon such Member, or the Company with respect to such Member. If, at the time such amount should be paid over to the IRS, the Company does not have Cash Flow otherwise distributable to such Member from which it can withhold and pay to the IRS the required amounts, then the subject Member shall contribute, and shall be personally obligated to contribute, all amounts necessary for the Company to satisfy its obligations to the IRS.

5.10 Tax Distributions. Notwithstanding the foregoing, to the extent the Company has sufficient Cash Flow, the Board may cause the Company to distribute to the Members an amount of cash sufficient to permit the Members to satisfy their federal income tax obligations with respect to income allocated to the Members during a taxable period. The amount of a distribution pursuant to this Section 5.10 to a Member for a taxable period shall equal (i) the amount of income allocated to such Member by the Company during such taxable period, reduced by any losses previously allocated to such Member by the Company, multiplied by (ii) the highest marginal federal income tax rate applicable to individuals during such taxable period (taking into account the character of the income so allocated). Any such distribution shall be made pro rata to the Members in proportion to the amount of taxable income allocated to the Members during such taxable period. Distributions pursuant to this Section 5.10 shall be treated as an advance of distributions pursuant to Section 5.01, and future distributions to a Member pursuant to Section 5.01 shall be offset by prior distributions to such Member under this Section 5.10.

5.11 Recovery of Erroneous Distributions. If the Company has, pursuant to any clear and manifest accounting or similar error, distributed to any Member an amount in excess of the amount to which the Member is entitled pursuant to this Agreement, the Member shall reimburse the Company to the extent of such excess, without interest, within 30 days after demand by the Company.

ARTICLE VI MANAGEMENT

6.01 Initial Managers. The initial Managers shall be Mogul. The Managers shall comprise the Board of Managers (or Board). Managers shall be elected, added, removed, or replaced in accordance with this Article VI. Any Manager removed as a Member shall be deemed to have been removed as a Manager as of the date of removal.

6.02 Authority of the Board. Except for situations in which the Ratification by the Members is required by this Agreement or by non-waivable provisions of applicable law, and subject to the provisions of Section 6.04, the Board shall have the sole and exclusive control of the management, business and affairs of the Company, and the Board shall make all decisions by majority and take all actions for the Company not otherwise provided for in this Agreement, including, without limitation, the following:

- (a) entering into, making, and performing contracts, agreements, and other undertakings binding the Company that may be necessary, appropriate, or advisable in furtherance of the purposes of the Company and making all decisions and waivers thereunder;
- (b) hiring employees and agents, establishing the terms thereunder, and delegating authority to such employees and agents as the Board deems appropriate;
- (c) establishing officers and appointing officers in accordance with Article IX.
- (d) opening and maintaining bank and investment accounts and arrangements, drawing checks and other orders for the payment of money, and designating individuals with authority to sign or give instructions with respect to those accounts and arrangements;
- (e) maintaining the assets of the Company in good order;
- (f) selling and issuing Membership Interests, and admitting Additional Members in accordance with Section 3.02;
- (g) to the extent that funds of the Company are available therefor, paying debts and obligations of the Company;
- (h) acquiring, utilizing for Company purposes, and disposing of any asset of the Company;
- (i) borrowing money or otherwise committing the credit of the Company for Company activities and voluntary prepayments or extensions of debt;
- (j) selecting, removing, and changing the authority and responsibility of lawyers, accountants, and other advisers and consultants;
- (k) obtaining insurance for the Company;
- (l) determining distributions of Company cash and other property as provided in Section 5.01;
- (m) establishing a seal for the Company; and
- (n) designating one (1) or more committees, each of which shall be comprised of one (1) or more Managers, to exercise any authority of the Board in the management, business, and affairs of the Company.

Furthermore, no special relationship shall exist between any Manager and the Members, and no Member or Manager shall have any duty to any Member, whether fiduciary or otherwise, except as expressly set forth herein (or in other written agreements). No Member, Manager, or Officer shall be

liable to the Company or to any other Member for any loss or damage sustained by the Company or to any Member, unless the loss or damage shall have been the result of gross negligence, fraud or intentional misconduct by the Member, Manager, or Officer in question.

6.03 Real Property Management. The Company shall enter into a property management or other similar agreement for the daily management, maintenance, repair and operation of the Real Property with a property management company. Such property management agreement shall provide standard decision-making authority to the property management company for the daily management, maintenance, repair and operation of the Real Property. The Members hereby agree that such decision-making authority agreed to in the property management agreement shall be delegated solely to the property management company, unless otherwise determined by a Simple Majority.

6.04 Restrictions. Notwithstanding the provisions of Section 6.02, the Board shall not do any act in violation of this Agreement or cause the Company to do any of the following without complying with the applicable requirements set forth below:

- (a) enter into a Liquidation Event or convert the Company's type of entity without complying with the applicable procedures set forth in paragraph 8.01(b) (unless such provision is rendered inapplicable by another provision of applicable law);

- (b) approve a New Issuance of Membership Interests except in accordance with Article III;

- (c) do any act which requires the prior Ratification of any Member or group of Members;

- (d) cause the Company to (i) not be taxable as a partnership for federal income tax purposes, or (ii) take a position inconsistent with such treatment without approval by Simple Majority consent of the Members;

- (e) possess Company property or assign rights in Company property, other than for a Company purpose without Ratification by a Simple Majority;

- (f) amend this Agreement, except as expressly permitted by this Agreement;

- (g) cause the Company to acquire any Membership Interest without Ratification by a Simple Majority;

- (h) cause the Company to acquire from any person any equity or debt securities or assets of any corporation, limited liability company, partnership, association, business, or business division, whether by stock purchase, asset purchase, contribution, or other business combination (excluding investments and asset acquisitions in the ordinary course of the Company's business) without Ratification by a Simple Majority;

- (i) cause the Company to participate in any merger, consolidation, transfer, continuance, or conversion of the Company with or into any other person without Ratification by a Simple Majority; or

- (j) cause the Company to participate in any reorganization in which Membership Interests are exchanged for or converted into cash, securities of any other person, or other property without Ratification by a Simple Majority.

6.05 Election, Number and Term of Office. The number of Managers on the Board of Managers shall be determined from time to time by resolution of the Board, and shall initially consist of one; provided, however, that no decrease in the number of Managers that would have the effect of shortening the term of an incumbent Manager may be made by the Board of Managers. Unless otherwise provided in the Certificate of Formation, Managers need not be Members or residents of the State of Delaware.

(a) Appointment of Managers. Until its resignation or removal, Mogul shall be a Manager.

(b) Term. Each Manager shall hold office for the term for which he is elected and thereafter until his successor shall have been elected and qualified, or until his earlier death, resignation or removal.

6.06 Vacancies; Removal; Resignation. Any Manager position to be filled by reason of an increase in the number of Managers or other reason may be filled by election at an annual or special meeting of Members called for that purpose. A Manager elected to fill a vacancy occurring other than by reason of an increase in the number of Managers shall be elected for the unexpired term of his predecessor in office. At any meeting of Members at which a quorum of Members is present called expressly for that purpose, or pursuant to a written consent adopted pursuant to this Agreement, any Manager may be removed, with cause, by the Ratification by a Simple Majority or in accordance with Section 15.01. Any Manager may resign at any time. Such resignation shall be made in writing and shall take effect at the time specified therein, or if no time be specified, at the time of its receipt by the remaining Managers. The acceptance of a resignation shall not be necessary to make it effective, unless expressly so provided in the resignation.

6.07 Compensation. For their services in the management of the Company and its operations, the Managers may receive such compensation, if any, as may be designated from time to time by Simple Majority vote of the Members. In the event the Managers are entitled to compensation pursuant to the User Services Agreement, such compensation shall not be deemed to be a management fee under this Section 6.07.

6.08 Reimbursement. Managers are not required to advance any funds to pay costs and expenses of the Company. However, in the event Managers advance such funds, the Managers shall be entitled to be reimbursed for out-of-pocket costs and expenses incurred in the course of their service hereunder.

6.09 Meetings of the Board.

(a) Generally.

(i) There shall be no required meetings of the Board.

(ii) In connection with any annual meeting of Members at which Managers are elected, the Board so elected may, if a quorum is present, hold their first meeting for the transaction of business immediately after and at the same place as such annual meeting of the Members. Notice of such meeting at such time and place shall not be required.

(iii) Special meetings of the Board may be called by any Manager on at least 24 hours' notice to each other Manager. Such notice need not state the purpose

or purposes of, nor the business to be transacted at, such meeting, except as may otherwise be required by law or provided for by the Certificate of Formation or this Agreement. Notice of special meetings may be given by facsimile or e-mail.

(b) **Quorum.** Unless otherwise required by law or provided in the Certificate of Formation or this Agreement, a majority of the total number of Managers fixed by, or in the manner provided in, the Certificate of Formation or this Agreement shall constitute a quorum for the transaction of business of the Board, and the act of a majority of the Board present at a meeting at which a quorum is present shall be the act of the Board. A Manager who is present at a meeting of the Board at which action on any Company matter is taken shall be presumed to have assented to the action unless his dissent is entered in the minutes of the meeting or unless he files his written dissent to such action with the individual acting as secretary of the meeting before the adjournment thereof or shall deliver such dissent to the Company immediately after the adjournment of the meeting. Such right to dissent shall not apply to a Manager who voted in favor of such action.

(c) **Place of Meetings.** Meetings of the Board may be held at such place or places as shall be determined from time to time by resolution of the Board, including virtual or e-based meetings. At all meetings of the Board, business shall be transacted in such order as shall from time to time be determined by resolution of the Board. Attendance of a Manager at a meeting shall constitute a waiver of notice of such meeting, except where a Manager attends a meeting for the purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

6.10 Ratification of Acts or Contracts by Members. The Board in its discretion may submit any act or contract for Ratification at any annual meeting of the Members, or at any special meeting of the Members called for the purpose of considering any such act or contract. Any act or contract that shall be approved by the Board in accordance with this Agreement shall be as valid and as binding upon the Company and upon all the Members as if it shall have been approved or Ratified by every Member.

6.11 Action Without Meeting. Any action permitted or required by the STATE OF DELAWARE, the Certificate of Formation or this Agreement to be taken at a meeting of the Board or any committee designated by the Board may be taken without a meeting if a consent in writing, setting forth the action to be taken, is signed by all the Board or members of such committee, as the case may be. Every written consent shall bear the date of signature of each Manager who signs the consent, and the consent may be in one (1) or more counterparts. Electronic mail or similar transmission by a Manager, or a photographic, photostatic, facsimile or similar reproduction of a writing signed by a Manager, shall be regarded as signed by the Manager for purposes of this Section 6.11. In the event of electronic mail, the date of consent shall be the date such correspondence was sent by the Manager or members of such committee, provided that the electronic mail was sent to the electronic mail address most recently provided by the receiving Managers or members of the committee. Such consent shall have the same force and effect as a unanimous vote at a meeting and may be stated as such in any document or instrument filed with the Secretary of State of Delaware, and the execution of such consent shall constitute attendance or presence in person at a meeting of the Board or any such committee, as the case may be. The signed consent (which electronic mail shall satisfy this requirement) or a signed copy of the consent shall be kept on file at the principal office of the Company.

6.12 Action by Telephone or Video Conference. Subject to the requirements of the

STATE OF DELAWARE, the Certificate of Formation or this Agreement for notice of meetings, unless otherwise restricted by the Certificate of Formation, Managers, or members of any committee designated by the Board, may participate in and hold a meeting of the Board or any committee of Managers, as the case may be, by means of conference telephone or similar communications equipment by which all Persons participating in the meeting can hear each other. Or, another suitable electronic communications system may be used including virtual, ebased, video-conferencing technology or the Internet, but only if each Manager entitled to participate in the meeting consents to the meeting being held by means of that system and the system provides access to the meeting in a manner or using a method by which each Manager participating in the meeting can communicate concurrently with each other participant. Participation in such meeting shall constitute attendance and presence in person at such meeting, except where a Person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

6.13 Broad Discretion and Authority of the Board. Each Member acknowledges and understands that the Board is granted broad discretion and authority under this Agreement, and that the Board's exercise of such broad discretion and authority may impair the value of the Membership Interest of the Member. Such Member further acknowledges and understands that the Board would not cause the Company to issue a Membership Interest to the Member if the Board did not have such broad discretion and authority, and such Member agrees not to challenge the Manager's exercise of such discretion and authority.

ARTICLE VII CONFIDENTIAL INFORMATION

7.01 Confidentiality. The Members agree that the Board from time to time may determine, due to contractual obligations, business concerns, or other considerations, that certain information regarding the business, affairs, properties, and financial condition of the Company should be kept confidential and not provided to some or all other Members, and that it is not just or reasonable for those Members or assignees or representatives thereof to examine or copy that information, subject to the STATE OF DELAWARE. The Members acknowledge that they may receive information from or regarding the Company in the nature of trade secrets or that otherwise is confidential, the release of which may be damaging to the Company or Persons with which it does business. Each Member and Assignee shall hold in strict confidence any information it receives regarding the Company that is identified as being confidential (and if that information is provided in writing, that is so marked) and may not disclose it to any Person other than another Member, Manager, or Officer except for disclosures (i) compelled by law (but the Member or Assignee must notify the Board (unless such notice is prohibited by applicable law) promptly of any request for that information, before disclosing it if practicable), (ii) to advisers or representatives of the Member or Assignee, but only if the recipients have agreed to be bound by the provisions of this Section 7.01 or a similar obligation of confidentiality or (iii) of information that Member or Assignee also has received from a source independent of the Company that the Member or Assignee reasonably believes obtained that information without breach of any obligation of confidentiality. This Article VII shall not apply to any information that (a) was or becomes generally available to the public other than as a result of a breach of this Section 7.01 by the Member or Assignee asserting this exception, (b) was or is independently developed by or for such Member or Assignee without any reliance on such confidential or proprietary information of the Company, or (c) the Company has expressly approved in writing such Member's or Assignee's disclosure of such information.

7.02 Specific Performance. The Members (on behalf of themselves and their Assignees)

acknowledge that any breach of the provisions of Section 7.01 may cause irreparable injury to the Company for which monetary damages (or other remedy at law) may be inadequate, difficult to compute, or both given (y) the complexities and uncertainties in measuring the actual damages that may be sustained by reason of the failure of a Member or Assignee to comply with such provisions, and (z) the uniqueness of the Company business and the confidential nature of the information. Accordingly, the Members agree that the provisions of Section 7.01 may be enforced by specific performance.

ARTICLE VIII MEETINGS OF MEMBERS

8.01 Meetings.

(a) Meetings of the Members may be called at any time by the Board, or by one or more Members holding at least 25% of the Membership Interests of the Company. Meetings shall be held at the Company's principal place of business, or any other reasonable location, including via virtual, ebased or conference call, as set forth in the meeting notice. With respect to any matter to be determined by the Members, other than a matter for which the affirmative vote of the holders of a specified portion of the Membership Interests of all Members entitled to vote is required by the STATE OF DELAWARE or this Agreement, the Ratification by a Simple Majority present at a meeting of Members at which a quorum is present shall be the act of the Members, except as provided by paragraph 8.01(b) or by another specific provision in this Agreement that requires a different vote of the Members.

(b) The Ratification by a Super Majority shall be required for the Company to (i) enter into a Liquidation Event, or (ii) change the Company's type of entity.

(c) The Members hereby agree that no annual meeting of the Members shall be required.

8.02 Action by Written Consent Without Meeting.

(a) Any action required or permitted to be taken at any annual or special meeting of Members may be taken without a meeting, without prior notice, and without a vote, by the written consent of the Members or committee members, as the case may be, having not fewer than the minimum percentage of votes that would be necessary to take the action at a meeting at which all Members or committee members entitled to vote on the action were present and voted. No written consent shall be effective to take the action that is the subject to the consent unless, within 60 days after the date of the earliest dated consent delivered to the Company in the manner required by this paragraph 8.02(a), the signed consent or consents are delivered to the Company by delivery to its registered office, its principal place of business, or the Board. Delivery shall be by hand or certified or registered mail, return receipt requested. Delivery to the Company's principal place of business shall be addressed to the Board. Every written consent shall bear the date of signature of each Member who signs the consent, and the consent may be in one (1) or more counterparts. Electronic mail or similar transmission by a Member, or a photographic, photostatic, facsimile or similar reproduction of a writing signed by a Member, shall be regarded as signed by the Member for purposes of this paragraph 8.02(a). In the event of electronic mail, the date of consent shall be the date such correspondence was sent by the Member, provided that the electronic mail was sent to the electronic mail address most recently provided by the receiving Managers or members of the committee. The signed consent or a signed copy of the consent shall be kept on file at the

principal office of the Company. Prompt notice of the taking of any action by Members without a meeting by less than unanimous written consent shall be given to those Members who did not consent in writing to the action.

(b) If any action by Members is taken by written consent, any articles or documents filed with the Secretary of State of Delaware as a result of the taking of the action shall state, in lieu of any statement required by the State of Delaware concerning any vote of Members, that written consent has been given in accordance with the provisions of the State of Delaware and that any written notice required by the State of Delaware has been given.

8.03 Action by Telephone or Video Conference. Members may participate in and hold a meeting by means of conference telephone, virtual, ebased or similar communications equipment by which all Persons participating in the meeting can hear each other. Or, another suitable electronic communications system may be used including video-conferencing technology or the Internet. Participation in such meeting shall constitute attendance and presence in person at such meeting, except where a Person participates in the meeting for the express purpose of objecting to the transaction of any business on the ground that the meeting is not lawfully called or convened.

ARTICLE IX . OFFICERS

10.07 Member Notification. To the extent required by law, any indemnification of or advance of expenses to a Member or Manager in accordance with this Article X shall be reported in writing to the Members with or before the notice or waiver of notice of the next Members' meeting or with or before the next submission to Members of a consent to action without a meeting and, in any case, within the 12-month period immediately following the date of the indemnification or advance.

(b) An amendment or modification reducing the required Membership Interest or other measure for any consent or vote in this Agreement is effective only with the consent or vote of Members having the Membership Interest or other measure theretofore required.

(c) within the authority of Members or otherwise provided in the Certificate of Formation, the STATE OF DELAWARE, or resolutions by Members forming the committee.

(d) An amendment or modification made solely to reflect the admission or withdrawal of a Member (such as to Exhibit A) need not be approved by any Member if the requirements set forth in this Agreement with respect to the admission or withdrawal of the Member are otherwise satisfied.

ARTICLE XVIII GENERAL PROVISIONS

18.01 Binding Effect. Subject to the restrictions on Transfers set forth in this Agreement, this Agreement is binding on and shall inure to the benefit of the Members and their respective heirs, legal representatives, successors, and permitted assigns. However, unless and until properly admitted as a Member, no Assignee will have any rights of a Member beyond those provided in this Agreement or granted by the STATE OF DELAWARE to assignees.

18.02 Construction. Whenever the context requires, the gender of all words used in this Agreement includes the masculine, feminine, and neuter. In the event there is only one (1) Member, then references to Members in the plural should be construed as singular; likewise, in the event there is only one (1) Manager, then references to Managers in the plural should also be construed as singular. Where used, the term "including" or "include" shall mean "including without limitation." It is the intention of the parties that every covenant, term, and provision of this Agreement shall be construed simply according to its fair meaning and not strictly for or against any party

(notwithstanding any rule of law requiring an Agreement to be strictly construed against the drafting party), it being understood that the parties to this Agreement are sophisticated and have had adequate opportunity and means to retain counsel to represent their interests and to otherwise negotiate the provisions of this Agreement.

18.03 Counterparts. This Agreement may be executed in any number of counterparts with the same effect as if all signing parties had signed the same instrument.

18.04 Effect of Waiver or Consent. A waiver or consent, express or implied, to or of any breach or default by any Person in the performance by that Person of its obligations with respect to the Company is not a consent or waiver to or of any other breach or default in the performance by that Person of the same or any other obligations of that Person with respect to the Company. Failure on the part of a Person to complain of any act of any Person or to declare any Person in default with respect to the Company, irrespective of how long that failure continues, does not constitute a waiver by that Person of its rights with respect to that default until the applicable statute-of-limitations period has run.

18.05 Entire Agreement; Supersedes Other Agreements. This Agreement, including the exhibits hereto, includes the entire agreement of the Members and their Affiliates relating to the Company and supersedes all prior contracts or agreements with respect to the Company, whether oral or written.

18.06 Further Assurances. In connection with this Agreement and the transactions contemplated hereby, each Member shall execute and deliver any additional documents and instruments and perform any additional acts that may be necessary or appropriate to effectuate and perform the provisions of this Agreement and those transactions.

18.07 Governing Law. THIS AGREEMENT, THE RIGHTS AND OBLIGATIONS OF THE PARTIES UNDER THIS AGREEMENT, AND ANY CLAIM OR CONTROVERSY DIRECTLY OR INDIRECTLY BASED UPON OR ARISING OUT OF THIS AGREEMENT (WHETHER BASED UPON CONTRACT, TORT OR ANY OTHER THEORY), ARE GOVERNED BY AND SHALL BE CONSTRUED IN ACCORDANCE WITH THE LAW OF THE STATE OF DELAWARE, EXCLUDING ANY CONFLICT-OF-LAWS RULE OR PRINCIPLE THAT MIGHT REFER THE GOVERNANCE OR THE CONSTRUCTION OF THIS AGREEMENT TO THE LAW OF ANOTHER JURISDICTION.

18.08 Indemnification by Members. To the fullest extent permitted by law, each Member shall indemnify the Company, each Manager and each other Member and hold them harmless from and against all losses, costs, liabilities, damages, and expenses (including, without limitation, costs of suit and attorney's fees) they may incur on account of any breach by that Member of this Agreement.

18.09 Notices. Except as expressly set forth to the contrary in this Agreement, all notices, requests, or consents provided for or permitted to be given under this Agreement must be in writing and must be given either by depositing that writing in the United States mail, addressed to the recipient, postage paid, and registered or certified with return receipt requested or by delivering that writing to the recipient in person, by courier, electronic mail, or by facsimile transmission; and a notice, request, or consent given under this Agreement is effective on receipt by the person. All notices, requests, and consents to be sent to a Member must be sent to or made at the addresses given for that Member on Exhibit A or such other address as that Member may specify by notice to the other Members. Any notice, request, or consent to the Company or the Members must be given to the Members at the following address:

800 Maine Ave SW, STE 200, Washington, DC 20024

Whenever any notice is required to be given by law, the Certificate of Formation or this Agreement, a written waiver thereof, signed by the person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

18.10 Offset. Whenever the Company is to pay any sum to any Member, any amounts that Member owes the Company may be deducted from that sum before payment.

18.11 Severability. In the event that any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable, or void, this Agreement shall continue in full force and effect without such provision; provided that no such severability shall be effective if it materially changes the economic benefit of this Agreement to any Member or alters any material term of this Agreement. Any severed provision shall be amended as best as possible in order to effect the original intent of the Members.

18.12 Waiver of Certain Rights. Each Member irrevocably waives any right it may have to maintain any action for dissolution of the Company or for partition of the property of the Company.

18.13 WAIVER OF JURY TRIAL. EACH PARTY HERETO ACKNOWLEDGES AND AGREES THAT ANY CONTROVERSY THAT MAY ARISE UNDER THIS AGREEMENT IS LIKELY TO INVOLVE COMPLICATED AND DIFFICULT ISSUES AND, THEREFORE, EACH SUCH PARTY IRREVOCABLY AND UNCONDITIONALLY WAIVES ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LEGAL ACTION ARISING OUT OF RELATING TO THIS AGREEMENT FOR THE TRANSACTIONS CONTEMPLATED HEREBY.

ARTICLE XIX NOTICES AND DISCLOSURES

19.01 Compliance with Regulation D of the Securities Act. THE MEMBERSHIP INTERESTS THAT ARE THE SUBJECT OF THIS COMPANY AGREEMENT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OR ANY STATE SECURITIES LAWS. THE INTERESTS MAY NOT BE OFFERED FOR SALE, SOLD, PLEDGED, TRANSFERRED, OR OTHERWISE DISPOSED OF UNTIL THE HOLDER THEREOF PROVIDES EVIDENCE SATISFACTORY TO THE BOARD (WHICH, IN THE DISCRETION OF THE BOARD, MAY INCLUDE AN OPINION OF COUNSEL) THAT SUCH OFFER, SALE, PLEDGE, TRANSFER, OR OTHER DISPOSITION WILL NOT VIOLATE APPLICABLE FEDERAL OR STATE SECURITIES LAWS. THE MEMBERSHIP INTERESTS THAT ARE THE SUBJECT OF THIS COMPANY AGREEMENT ARE SUBJECT TO RESTRICTIONS ON THE SALE, PLEDGE, TRANSFER, OR OTHER DISPOSITION AS SET FORTH IN THIS COMPANY AGREEMENT.

19.02 Notice to Members. By executing this Agreement, each Member acknowledges that it has actual notice of all of the provisions of this Agreement, including, without limitation, the restrictions on the transfer of Membership Interests set forth in this Agreement, and all of the provisions of the Certificate of Formation. Except as otherwise expressly provided by law, each Member hereby agrees that this Agreement constitutes adequate notice of any notice requirement under Chapter 8 of the Uniform Commercial Code, and each Member hereby waives any requirement that any further notice thereunder be given.

19.03 Limitation of Liability. By executing this Agreement, each Member hereby acknowledges the disclosure contained in this Section 19.03.

19.04 Limited Power of Attorney for Company Purposes. Each Member, by execution of this Agreement or a counterpart hereof, irrevocably constitutes and appoints each Manager, with full power of substitution, its agent and attorney-in-fact in its name, place, and stead for the limited purposes of making, executing, swearing to, verifying, acknowledging, amending, filing, recording, delivering, and publishing (a) any documents necessary to effect any Transfer of a Membership Interest and Capital Account to the Company as provided in this Agreement and to make, execute, sign, acknowledge, deliver, and file any assignments, deeds, conveyances, documents, or other instruments deemed necessary or appropriate by the Board to effect such a Transfer; (b) any certificate or amendment to any certificate required to be filed on behalf of the Company pursuant to the STATE OF DELAWARE; (c) a counterpart of any amendment to this Agreement for the purpose of substituting as a Member an assignee or assignees of a Member; (d) a counterpart of this Agreement or any amendment hereto for the purpose of filing or recording such counterpart in any jurisdiction in which the Company may own property or transact business; (e) all certificates and other instruments necessary to continue the Company as a limited liability company in the jurisdictions where the Company may own property or transact business; (f) any fictitious or assumed name certificate required or permitted to be filed by or on behalf of the Company; (g) any other instrument that is now or may hereafter be required by law to be filed on behalf of the Company that does not increase the obligations of the Members; (h) an authorized certificate or other instrument inducing the dissolution or termination of the Company, when such shall be appropriate, in each jurisdiction in which the Company shall own property or transact business; and (i) any other certificates or instruments necessary, advisable, or appropriate to conduct the business and affairs of the Company that do not increase the obligations of the Members. The existence of such power of attorney will not preclude execution of any such instrument by a Member individually with respect to any such matter. The power of attorney granted by this Section 19.04 is irrevocable and will survive the Transfer by a Member of all or any part of its Membership Interest and, being coupled with an interest, shall survive the incapacity or other legal disability of such Member. Any person dealing with the Company may, without further inquiry, conclusively presume and rely upon the fact that any certificate or instrument encompassed by this Section 19.04 and executed by such agent and attorney-in-fact is authorized, valid, and binding.
